Triterra is a professional environmental consulting firm specializing in brownfield development, environmental consulting, and natural resource management services. Our staff is committed to providing practical environmental solutions through a creative process that incorporates integrity, innovation, and responsiveness.

**TRITERRA RECOGNIZED ON THE  
INC. 5000 LIST FOR THE FIFTH  
CONSECUTIVE YEAR**

Triterra, is proud to announce its fifth consecutive appearance on the Inc. 5000 list of fastest-growing private companies in the U.S.

In 2025, Triterra ranked:

- No. 3,067** overall
- 132%** three-year growth
- No. 51** in Michigan
- No. 21** in Environmental Services

The Inc. 5000 list offers a unique perspective on the most successful companies within the American economy. Companies such as Intuit, Zappos, Under Armour, Microsoft, and Patagonia all gained national exposure as part of the Inc. 5000.

"Being named to the Inc. 5000 for the fifth year in a row is both an honor and a reflection of what makes Triterra special," said Don McNabb, CEO, Visionary/Integrator, and Co-Founder of Triterra. "It speaks to the passion and dedication of our team, and to our commitment to partnering with clients to create meaningful impact and help them achieve their goals".

Companies on the 2025 Inc. 5000 list are ranked according to percentage revenue growth over the last three years. To qualify, companies must be U.S.-based, privately held, and independent, with revenue of at least \$100,000 in 2021 and \$2 million in 2024.

Complete results of the 2025 Inc. 5000, including company profiles and an interactive database sortable by industry, region, and other criteria, can be found at <https://www.inc.com/inc5000/2025>.

Meet Vince Fountain, an Industrial Hygienist on Triterra's Industrial Hygiene team, where he plays a key role in overseeing hazardous material projects, training new employees, writing reports, and managing billing. Vince is a licensed Asbestos Inspector, Abatement Contractor/Supervisor, and Lead Risk Assessor, bringing extensive knowledge and hands-on experience to every project he leads. Driven by his values of helping others and raising his daughter, Vince brings compassion and dedication to both his work and home life. He especially enjoys being part of our Industrial Hygiene team, which he proudly describes as "the best in the industry." When he's not at Triterra, you can find Vince outdoors camping or hiking, working on projects around his home, or spending quality time with his daughter. We're grateful for Vince's expertise and the energy he brings to our team every day!!
